DOM CARLOS PARK

The Dom Carlos Park is a welcoming hotel with a classical atmosphere according to the traditional European hotels. Combining a high level of comfort and modernity, it offers a personalized service that pays particular attention to the smallest of details and undoubtedly contributes to the excellent balance between quality and price, which so characterises the hotel.

The most recent renovation of the Dom Carlos Park was concluded in 2005 with many improvements being made to its 76 rooms, such as high-speed internet access free, Cable Channels / LCD Flat screen Tv, adjustable reading lights and digital safes. In addition, changes have been made in the communal areas with the creation of the Dom Carlos Lounge.

At breakfast time this integrated space is home to a refined buffet, whilst at mid-day it is transformed into a pleasant lounge with a library, complimentary newspapers and magazines, plasma TV, quality background music, an internet terminal free and a drinks and snacks self-service. Further to this, the hotel includes a meeting room, laundry, garage and a 24-hour luggage service.

In its prestigious setting next to the Praça Marquês de Pombal, one of Lisbon's most prominent landmarks, it offers a very special combination of charm and comfort, further improved by the vicinity of the small Camilo Castelo Branco garden facing the hotel.
